

Hanse Media reprint *The Creator's Mind, A Semitic Odyssey through Genesis*

London – February 19, 2024 – Renowned American ghost writer William Mills presents readers with a reprint of his first work entitled *The Creator's Mind*, first written and published in 1999. The first edition published by Scheiwiller shortly before its closure is now unobtainable. The new edition of Mills' translation of the book Genesis into the Sêmit language is enriched by a dialogue between two generative artificial intelligences on the nature of language.

The Creator's Mind presents a captivating narrative that blends the linguistic elements of Semitic languages, including Aramaic whispers, Hebrew roots, and Arabic expressions. Through Sêmit, readers are immersed in a rich cultural mosaic that reflects the author's linguistic prowess and celebrates the diversity of Semitic heritage.

In this reissued edition, Mills invites readers to explore the sacred origins of an inclusive linguistic texture that testifies to the power of the verb. The book not only showcases Mills' engaging narrative style but also offers a profound intellectual journey that resonates with the history of ancient texts.

The Creator's Mind is a must-have addition to any collection, inviting readers to delve into the depths of Semitic languages and rediscover the timeless wisdom of Genesis through a new linguistic viewpoint.

About the Author

[William Mills](#) was born in New York in 1965. He made his debut as a writer in 1999, with this experiment in rewriting the first book of the Pentateuch in Sêmit, a language he invented. Mills is a professional ghost writer and is known for his engaging narrative style and his ability to combine science and fantasy. He lives and works in Switzerland.
